Third Week of Easter, Holy Gospel according to Luke 24:13-35

This gospel passage is another Easter story, and more so, a personal encounter of faith with the Risen Lord. It reminds us how we can be distracted, if not blinded by difficult moments. We can actually lose sight of the bigger vision of the presence of the Lord among us as we walk our own Emmaus journey.

The disciples were deeply focused on their personal loss of Jesus, in whom they had great hope for a new day. Their deep sorrow focused on their personal experience to the extent that they were feeling sorry more for themselves than the loss of their close friend Jesus. That self-pity was so deep that when they walked with Jesus on the road to Emmaus; and spoke with Him the whole time; while He explained the whole of the scripture to them, they still didn't recognize Him.

But, nonetheless, the graciousness of God was with them. Grateful for the conversation along the way going home, they invited Jesus to stay with them and share a meal. Hospitality of food, kindness and compassion is what they learn from Jesus. And when they sat down at the table and encountered Jesus in the breaking of the bread, their eyes were opened and they experienced the Paschal Mystery: death to life, despair to joy and an inner focus to mission, to now look and see beyond their own self-interest and put faith into action.

Nourished and empowered by the Word they heard and the bread they shared, they rushed back to Jerusalem to share the joy of the good news of Jesus' Resurrection. Notice, however, when the moment of recognition takes place, not while Jesus is visibly present, but after He is no longer seen in the way they, the disciples, would have anticipated. If we focus only on the presence of Christ in the consecrated bread and wine, we too will miss Christ present face to face before us in the people of God gathered around the altar with us and beyond. The change in the lives of the two disciples begins once they make room in the conversation for the stranger they meet along the road. And yes, blessed are those who have not seen the Risen Lord as we would expect, but see Him in the daily struggles of our brothers and sisters in Christ whom we know and still more in the stranger whom we don't know yet.

Today, we're experiencing our own Emmaus journey. With state and local government officials extending the stay-at-home policy until the end of May, hopes are diminished and our fears may be heightened that we cannot resume life as we knew it before the middle of March 2020. Interestingly however, even in our disappointment we are not walking this journey alone. Many people are walking with us, explaining how we got to this point and instructing us toward a better tomorrow. The stay-at-home policy has been working to flatten the curve, and ensure our hospitals are not overwhelmed. But, with the population density in the Chicagoland area in particular, it appears we won't hit the peak of infection until the middle of May. Thus the additional mandatory requirement that we will need to wear a mask covering our nose and mouth, in addition to social distancing of at least six feet; washing our hands frequently; using hand sanitizer when washing is not possible, and not touching our face: mouth, nose and eyes.

(continues on next page)

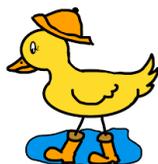

God’s graciousness has blessed us with common sense and we see that following these best practices has proven effective in New York, California and Louisiana, as well as in our own area. By inconveniencing ourselves a little for the common good, we are doing our part to ensure not only our own safety, but also the health, safety and well-being of so many around us. When this invisible enemy is brought under control, we too will be able to rush out and thank the Lord that He gave us the courage and strength to fight the good fight out of respect and love for one another.

In the meantime, what more can we do? For example, five of our parishioners are sewing masks and sharing them with family, friends and neighbors; our parishioners; local hospital staff and anyone who needs one. Other ways of helping are through monetary donations to Zacchaeus House, Catholic Charities in Des Plaines, the Schaumburg Food Pantry or Providence Soup Kitchen at St. Stanislaus Kostka in Chicago and the possibilities are endless.

Faith put into practice is about encouraging healthy relationships. We’re all in this together. Jesus taught us well, “What you did to the least of my brothers and sisters, you did to me.” Now is not the time to ask who is my neighbor, but rather how am I a neighbor in this time of great need.

The next five weeks will not be easy. Remember too, that it took the descent of the Holy Spirit, to give the disciples the courage to leave the upper room. As we journey through this pandemic, listen to and encounter the Risen Lord along your way. Like with the disciples then, so today, He’s walking with and speaking to you. All the more reason to “Be kinder than necessary.”

*All Powerful God,
Watch over all our dear ones who serve this day in the military.
Hold them safely in the palm of your hand.
Walk with them in your strength.
Bring comfort and hope when they are weary.
Remind them of our love.
Merciful Lord,
Bring a lasting peace into our midst.
Heal our hearts and help all nations find ways to live in harmony
So that blood is shed no more.
We ask this in the name of Christ Jesus,*

Dear friends,

Catholic Charities food pantries are seeing record demand due to the economic impact of the COVID-19 crisis. Our northwest suburban food pantry in Des Plaines is serving three times the normal number of families, many of them first-time clients who have suddenly found themselves out of work.

At the same time, we are finding it harder and harder to get common food items from the Greater Chicago Food Depository, which supplies pantries throughout Cook County, and demand is exceeding supply. As a result, we can't give families as much food as we would like, or what they need.

So we're asking for your help. Here's what you can do:

- Conduct a drive to collect items for our pantry, or donate items from your own home. Donations can be delivered to our office at 1717 Rand Rd. in Des Plaines. If you call ahead at (847) 376-2118, we can instruct you on how to drop off a donation without face-to-face contact.
- Order items from a delivery service such as Instacart and have them delivered to our office.
- Make a monetary donation that we can use to purchase food. You can call me directly at (847) 376-2118 to make a donation, donate online at www.catholiccharities.net, or mail a check to my attention, payable to Catholic Charities, to 1717 Rand Road, Des Plaines, IL 60016. If you donate online, please be sure to designate your donation for the Northwest Region.

If you conduct a food drive, or order through a delivery service, here are some items we need the most:

- | | | |
|------------------|-------------------------|--------------------------------|
| ● Quarts of milk | ● Peanut butter & jelly | ● Canned tuna |
| ● Eggs | ● Pasta & pasta sauce | ● Canned vegetables |
| ● Dry cereal | ● Rice | ● Canned soup |
| ● Oatmeal | ● Macaroni and cheese | ● Canned fruit and fruit juice |

These are extraordinary times that call for an extraordinary response. We are humbled by the outpouring of generosity we have already seen, and ask for your help as we struggle to feed our neighbors in the northwest suburbs.

With sincere gratitude,

Rose Marie Lesniak-Mendez
Northwest Regional Director

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God.
Philippians 4:6

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.

Philippians 4: 6 - 7

This passage reminds us that, in every situation, our prayers ground us in God's peace. We step forward with faith: God is with us as we seek protection and discernment.

Let's start each day with prayer and continue to pray throughout the duration of the COVID - 19 outbreak.

During the period of social distancing, please access our website for updates during this challenging time.

We would appreciate your effort "to Give" online, through the Parish website. Please consider this option as you prepare to give this weekend and of course our traditional mail in or drop off will always be available and appreciated.

CRS Rice Bowl donation can be dropped off at the Parish Office. Please do not drop off the boxes filled with coins. Instead, please write a check for the amount of the Rice Bowl offering payable to St. Matthew and indicate on the check memo "Rice Bowl". Donations to Rice Bowl can be mailed to the parish or dropped in the Rectory Mail Slot (which goes into the building.)
